

# STOCKS CLIMB AS CALL MONEY EASES

Sentiment Regarding Special Messages Also Helps to Improve Market

NEW YORK, January 4.—The stringency in call money rate relaxed today and prices of stocks rallied, thus reversing the process of yesterday. Corresponding changes occurred in the stock market sentiment, regarding special messages. The easing of the money market was due in part directly to liquidation in the stock market.

A factor in quieting anxiety about antitrust measures, was the news of a merger of trust companies, under the auspices of J. P. Morgan & Co. This accomplishment was felt to deprive the outlook of any cause for anxiety from the standpoint of invested capital.

Bonds irregular. Total sales, \$5,271,000. U. S. 4% coupons declined 1/4 per cent.

## PREJUDICE.

Curious to state, prejudice keeps us out of more good things than does lack of opportunity.

We often pass by an article of merit because the price is low. This same article at double the price would find us eager to try it. K. C. Baking Powder sells for one-third the price of the Baking Powders, controlled by the "Trust."

Yet K. C. is guaranteed the Best Baking Powder at any price.

The ladies of this city who have seen what K. C. Baking Powder will do prefer it to any other. They are only too glad to save their money and get a better article. It's the difference between "Trust" prices and those of honest competition.

A 25 ounce can of K. C. Baking Powder for 25 cents, and your money returned if you don't like it better.

Guaranteed under all Pure Food Laws

More Friends Every Year

We'll soon count you among them. It's just a matter of time. More and more housewives are giving up the old-style, high-priced, Trust-made Baking Powders. Thousands are turning to

**K. C. BAKING POWDER**

One trial does it. You'll never go back. Speak to your grocer. Lighter, sweeter baking or money refunded. Far better. Costs much less. You won't believe it till you try for yourself.

## CAMP HENDON

Mrs. John B. Hendon, who left here last Thursday for El Paso, returned Sunday evening bringing a bride with him.

Mr. Hendon arrived in El Paso Thursday evening and Friday morning he anxiously awaited the arrival of the bride from the east for it was to bring the lady who was to become his bride, Miss Edith Camp of Amory, Miss. As soon as the train arrived Mr. Hendon and Miss Camp hastened to the parsonage and were united in marriage. The ceremony was performed by Rev. Ozer Street of the First Presbyterian church of El Paso, at about 10 o'clock, only the necessary witnesses being present.

The bride was very becomingly attired in a handsome gray traveling suit with hat, furs and accessories in harmonizing shades.

After spending a few days in El Paso and Juárez, Mr. and Mrs. Hendon left for Globe, arriving here Sunday evening.

The marriage is the culmination of a romance which began about three years ago and has endured in spite of the opposition of unrelenting parents. Finally having given up the hope of obtaining the consent of her parents, Miss Camp agreed to meet Mr. Hendon at El Paso and become his wife. Their plans were accordingly carried out as already stated.

The bride is a charming and accomplished young lady and was a great favorite among her associates at home.

Mr. Hendon is a brother of Mrs. J. P. Schaefer of this city and has been here for several months prior to which time he was agent at one of the stations on the Santa Fe line in northern Arizona. At present he is temporarily assisting Mr. Schaefer at his meat market, but has accepted a position with the railway company again, which will be ready for him in a few weeks. For several weeks Mr. and Mrs. Hendon will remain at the home of Mr. and Mrs. Schaefer, after which they will leave for their future home.

Mr. Hendon's many friends offer their congratulations and best wishes to the newly wedded couple.

## LECTURE POSTPONED

The lecture and musicale which was to have been given last Saturday evening under the auspices of the Presbyterian church, was postponed on account of the inclemency of the weather, which made it impossible for anyone to attend.

The date on which it will now be given has not been definitely decided as yet, and will be announced later.

## RYAN-FITZGERALD

J. Bentley Ryan, the popular salesman representing the large hardware firm, Hibbard, Spencer, Bartlett & Co., with headquarters at El Paso, has gone to Chicago, where he will join the ranks of the headhunts.

The bride to be is Miss Sadie Fitzgerald, a beautiful and charming young society girl of Chicago, and the wedding will take place January 8 in the cathedral after mass by the archbishop. Mr. Ryan will be attended by his brother, Edward, and Miss Florence Fitzgerald, sister of the bride, will be maid of honor.

After the ceremony an elaborate wedding breakfast will be served at the home of the bride's parents, Mr. and Mrs. J. Fitzgerald, 8339 Pine Grove avenue. After breakfast Mr. and Mrs. Ryan will leave for a wedding journey to New York, Boston, Philadelphia, Baltimore, Washington and other places of interest. They will reach El Paso about February 1 and will probably reside there.

Mr. Ryan is a well known and prosperous young business man having many interests in and about El Paso. He also has quite a number of friends and acquaintances in this city who join with the others in congratulating him and extending their best wishes.

## BENEFIT BALL

The young ladies of North Globe will give a benefit ball February 12 for Elmer Edwards, the young man who met

with such an unfortunate accident last week when he slipped and fell under the wheels of a Miami train. The foot had to be amputated.

Mr. Maurel has kindly donated the use of Maurel hall and the young ladies will do everything in their power to make the evening one of the most delightful of the season. The plan is a very commendable one and it is to be hoped that they will meet with hearty support so that it may not only be a social but also a financial success.

## PYTHIAN SISTERS

The Pythian Sisters met last night at Old Fellows' hall for the purpose of installing their newly elected officers. In spite of the very inclement weather there was a large attendance and the meeting was a very pleasant one.

Mrs. Martin, the past chief, installed the officers. Besides the installation ceremonies one candidate was balloted upon and accepted for membership. The initiation will probably occur at the next meeting.

After the close of the business session a very pleasant hour was spent and delicious refreshments were served. The installation had not been a public one and therefore only members were present at the social also.

## A Sprained Ankle

As a rule a man will feel well satisfied if he can hobble around on crutches in two or three weeks after spraining his ankle, and it is often two or three months before he is fully recovered. This is an unnecessary loss of time, as by applying Chamberlain's Liniment, as directed, a cure may as a rule be effected in less than one week's time, and in many cases within three days. Sold by all druggists.
